

ARE YOU HIRING IN THE BAY AREA?

Join us at the Life Science Career Expo

Join us as an exhibitor at Biocom California Institute's Life Science Career Expo. This is your chance to showcase your company's innovative spirit, gain a competitive edge by engaging with our select group of 2025 fellows—these individuals are currently undergoing intensive professional and career development training.

At 11 a.m., we open our doors to the wider Bay Area community, including students, job seekers, and seasoned professionals. This is your chance to forge connections and cultivate relationships with a diverse pool of candidates eager to explore new life science career opportunities.

WEDNESDAY, MAY 14, 2025

Biocom California Institute

Biocom California Institute is a 501(c)(3) organization established in 2008 by Biocom California, the advocate for California's life science sector. Our mission is to develop and promote a skilled and diverse pipeline of talent to accelerate the growth of California's life science ecosystem. We collaborate with the life science industry, government, non-profits, community college systems, institutions of higher education, and other stakeholders to meet and anticipate the workforce needs of the life science community and to promote the advancement of life science talent throughout the world.
